

Vehicle Information

New residents bringing a vehicle to Florida from another state must register it within 10 days.

As a military member you do not have to claim Florida residency.

Vehicle Registration Options

"Registration-only" -

- Available if you're not claiming Florida residency
- You'll save the \$100 "First-Time" fee (waiveable for military members claiming residency)
- Residency-only means you won't be a resident and therefore will not be eligible for the \$25,000 Florida Homestead tax exemption for homeowners
- \$46 registration fee

Vehicle Registration (as a resident) -

- \$100 initial registration fee (exemption for military personnel, get forms from Provost Marshall Office at the Codina Building)
- \$34 transfer of title
- \$46 registration
- If you're buying a home in Florida, you'll want the homestead exemption available to residents. In this case you'd need to register your vehicle as a resident.

No Florida vehicle registration -

If you are AD military you don't have to register your vehicle
Statute 320.10 exempts from section 320.08 for any motor vehicle or mobile home owned by and operated exclusively for the personnel use of any member of the US armed Forces who is not a resident of this state and who is stationed in the state while in compliance with military or naval orders.

Also - Emissions tests are no longer required
